

ALASKAN

The Wooldridge Alaskan is a specialist at delivering sportsmen to the best of fishing, hunting and adventure. It's right at home maneuvering through debris-laden, twisting channels of a super shallow stream. The formed ribs on the semi-V hull and exclusive Wooldridge jet tunnel help this boat get on step in a heartbeat and handle like none other. Open tiller, console or created with the large two-piece walk-thru windshield, Wooldridge offers the Alaskan in the length of 17' 8" with a broad 60" bottom. Lifetime limited hull warranty to the original buyer, of course.

Alaskan XL

Wooldridge Boats created the Alaskan XL for those who wanted a bigger, yet agile jet boat patterned after the Alaskan. It is that, with a wider bottom, higher sides and larger windshield, ideal for hauling heavier loads and getting on step quickly. The XL is tailor made for the Sportjet and full range of outboard jet motors. There's a rugged formed rib hull with extensive structure. The outboard XL features the exclusive Wooldridge jet tunnel. The AK XL is offered in 17', 20' and 23' lengths as windshield, aft helm (20' & 23') and open models with console (outboards also with tiller option).

XP

NEW Wooldridge XP is a multi-purpose work-horse, redesigned upgrade of the Xtra Plus, with more sizes, power, bottom thickness (and UHMW bottom plate) options. It's the answer for those who tackle extreme shallows, haul heavy loads and need that extra measure of protection. Standard XP has a 6' bottom, broad bow, walk-around gunnel and toe kick. Tough .190 bottom. Options? Windshield or open. Wider (7'), .250 or .440 bottom (doubler) and UHMW bottom plate. Power? Outboard jet with tunnel (17', 20', 23', 25'). Inboard V-8 with 212 Hamilton (20', 23', & 25') or Sportjet (17', 20', 23').

Classic

The Wooldridge Classic's unique broad bow design is ideal for conquering big whitewater and brawling rapids. It provides vital lift in challenging conditions for a dry ride and optimum control at all speeds. This inboard jet boat is a heavy duty load hauler and available with the full range of power to suit hunter, guides and angler needs. The Classic is offered as an open boat with center or stern console and with a large two-piece walk-thru windshield for easy access and optimum visibility sitting and standing. There are deep V and wide body models as well. Lengths of 20', 22' and 25'.

SPORT

The Wooldridge Sport is eager to please, in extreme shallows and on blustery waters where the pointed bow will smooth out a chop. It's offered with outboard, inboard jet and Sportjet power. You can get 'em all with the large two-piece walk-thru windshield. The outboard Sport features the exclusive Wooldridge jet tunnel and also is available with console or tiller steering. Sport outboard models are offered in lengths of 17'3" and 20'3". The Wooldridge 17' & 20' Sport are available with 200 hp Optimax Sportjet power, the 20' Sport with conventional inboard jet power.

SUPER SPORT DRIFTER

It's a big, beamy boat and the Wooldridge Super Sport Drifter is proving a favorite among the outboard and inboard jet go-anywhere crowd. The outboard models feature the Wooldridge jet tunnel, the inboard jet boat will take the full range of motors and pumps. The 7' bottom in boats of 20, 23 and 25-feet, put lots of hull in the water for hauling a load and getting on step in moments. Lots of internal structure gives you optimum strength with minimum weight in the windshield or open boat (console or tiller). That means better performance on the water with less power and minimal fuel consumption.

SPORTSTER

The Sportster is a professional guide and avid fisherman inspired boat with plenty of freeboard, a 12° deadrise through the planing surface and 18° deadrise in the bow. 88" of bottom puts lots of hull in the water for hauling heavy loads and a heartbeat holeshot. Stability while fishing is premium, all thanks to the super wide bottom. The exclusive Wooldridge jet tunnel assures super shallow water running with aggressive cornering and handling. Sportsters are offered in lengths of 21', 23' and 25', as a sedan (windshield) or open boat (tiller or console). This is an aggressive jet boat for rivers with additional big boat features for comfort in open water.

SPORT OFFSHORE

The Wooldridge Sport Offshore is a multi-purpose boat for outboard prop power. It's equally at home on the saltwater, big lakes, rivers and bays with 30 degree deadrise in the bow and 16 degrees through the planing surface. The Sport Offshore boasts a 6 1/2' bottom and is available in lengths of 17'3" and 20'3". Select the style best suited to your boating, open as console or with the large two-piece walk-thru windshield. The windshield model has a recessed, self-draining bow and forward walk-around with wing. Lifetime limited hull warranty to the original buyer, of course.

SS OFFSHORE

Wooldridge Boats creates the Super Sport Offshore in several configurations to suit boater needs. The extensive model lineup includes: open boat, walk-thru windshield, hardtop, fully welded cabin and a cuddy design. The offshore bracket and built-in fish box are standard on the Wooldridge Super Sport Offshore, as is its 40 degree deep V in the bow and 18 degrees through the planing surface. The 7' bottom optimizes ride and stability in boats of 20', 23' or 26'. Extensive internal structure for optimum strength with minimum weight means better performance and better economy.
