It aims to correct all the functionality of QT Lite. After you unzip, there will be a folder called "qtlite". Inside that folder you will find: "qtlite.dll" - the actual add-on "qtlite.exe" - the program Download: You can download the files from here: Abdul Muhsin al-Hussaini, Iraqi dictator who headed an anti-Semitic coalition government, died Thursday at the age of 92. In 2016, Hussaini's government was finally driven from power. He was overthrown by the Islamic State, a Sunni Islamist militant group that adopted many of the anti-Jewish prejudices of the secular Baathists. In his first year in power, the Hussein-led government banned Shabbat, the Jewish Sabbath, established a Muslim law ministry and put together the first Iranian-Arab alliance since the Iran-Iraq War of the 1980s. Hussaini sought to create a pan-Arab Islamic state, hoping to undo the apparent ruin of Saddam Hussein's regime. As historian Amir Michael noted in the Middle East Quarterly, Hussaini's "Islamic state was akin to fascism in its authoritarianism, its contempt for human rights, its quest for pan-Arab hegemony, its ethnocentrism, its rejection of dissent and its vehement anti-Semitism." Hussaini opened the door to Salafist Islam, prohibiting music, film, television and reading the Bible. Several Jewish politicians were arrested and taken to Baghdad, and in 1991, the government ordered the expulsion of Jews from the country. Some scholars believe that the Iraqi government may have forcibly transferred some 50,000 Jews to Iran. And he stocked his government with known anti-Semites. In a speech before the United Nations General Assembly in 1981, he said, "There are only two alternatives to our fight against Zionism: annihilation or the emergence of the new Arabic state." "The emergence of the new Arabic state," he declared, "means the eradication of the Zionist state." Hussaini also worked with the Mujahideen-e Khalq, an Iranian Marxist terrorist group, to fight against the Shah's regime in the 1970s. In June 1979, Iran's Islamic Republic attacked Iraq, hoping to liberate the north,
