

Alaskan X-LT 18' & 20' Models

20' Alaskan XL-T shown with options

Alaskan X-LT, punch your ticket to adventure.

The Wooldridge Alaskan series has evolved again! We are excited to introduce the uber popular Alaskan LT's new big brother! The new Alaskan X-LT adopts the light and efficient aspects of the LT model but in a much larger frame! Offered in open tiller or console steer, the X-LT features a wide 72" bottom, 93" beam, higher 26" sides, diamond-plate floors and of course, our tried-and-true bottom design with its 9-degree formed and corrugated semi-vee, and exclusive Wooldridge jet tunnel! Are you looking for a lighter, fuel efficient boat that runs ultra-shallow, rallies up narrow side channels with ease, tracks, and gets on step better? Is your desire to own a jet boat that comes from a 100-year plus family-owned company that backs robust construction with a lifetime warranty? Do you just flat out want the best? Better check out the new Wooldridge Alaskan X-LT, the ultimate lightweight jet boat.

Wooldridge Boats exclusive jet tunnel offers the best in shallow water running and handling in challenging river running conditions. The tunnel allows the jet foot to be raised for protection, a clean water feed and ram effect. It also provides traction for controlled and predictable performance in tight quarters.
